**Subject:** super salvage?

Hi, Rich.

EPA recently inspected Super Salvage. A few questions came up:

- How many EPA Inspectors went?
- Did they wear any special protective equipment?
- Did any DDOE inspectors shadow along?
- Is the inspection report available for review?

*some inspectors (DDOE)  
- said couldn't go there  
due to being contaminated  
site.*

Thanks, Rich!

**Subject:** Notice of EPA Action

Subject: NPDES Construction and Industrial Stormwater Inspections in Washington DC

Respondents: Multi-Sector General Permittees and Construction General Permittees

Type of Action: Compliance Inspection

Statute: CWA

City, State Location: Washington, DC and Virginia Metro Area.

Number of Inspections: Approximately 12

Background/Comments: The Region III NPDES Enforcement Branch will conduct compliance inspections at approximately 12 permittees covered either under the Construction General Permit or the Multi Sector General Permit in Washington DC. This effort is contractor supported. The DC DDOE Watershed Protection Division and the Water Quality Division have been involved with coordinating the inspections and will join the Region III and contracted inspectors on the inspections in the capacity as observers. Region III will hold a debrief with DDOE after the conclusion of the inspections.

Thanks.

Steve,

What was the media inspected: Air, Water, RCRA?
